

The Friends of Parkwood Surgery

FPS Membership

The FPS Committee acts as a link between Patients and the Practice by:-

- Providing a channel for patients to share their experiences and suggest how services at Parkwood Drive Surgery might be improved
- Reviewing and acting on your feedback with the Practice to improve services to you
- Assisting the Practice with practical support, such as volunteering time to inform patients about available services, and raising funds for practical improvements
- Encouraging patients to learn about their conditions, for example by attending FPS health talks by experts and by allowing patients to share their experiences with others
- Encouraging patients to be more active, for example through our First Steps health walk and other classes

How we use your data

- Your details are used to confirm that you are a current patient at Parkwood Surgery
- Your email address is used to communicate with you about our events and activities
- Your email address is used to send you the Practice newsletter
- Your membership details are held by the FPS Committee, they are only shared with senior committee members
- If your membership expires we will stop sending you emails from the month renewal is due. Your data is held for a further 6 months and removed if no renewal is received
- You can request us to remove your details at any time by contacting the FPS mailbox
- You can request a copy of the details we hold for you by contacting the FPS mailbox

For more details of how we manage your FPS membership data, please see the Parkwood Surgery website and visit the FPS pages.

How to Contact The Friends of Parkwood

- Email us at friendsofparkwooddrive@googlemail.com
- Speak to us in person at one of our events
- Call the Practice Manager, Colin Neal on the surgery number 01442 250117
